Currently finishing its Second Season, The Good Fight has received Positive Reviews and Plenty of Praises from Critics and Viewers alike. Just like its Predecessor, The Good Wife, many have admired The Good Fight for its Story Arcs and overall Themes.

While Many Spinoffs don't necessarily make it very far and are often written off by Viewers, The Good Fight surprised Audiences by standing its Own and Delivering Great Entertainment. While Fans everywhere are highly anticipating the Finale of the Second Season, the Show proves that Some Things can indeed get better The Second time around.
