VI European Congress of Small and Medium-Size Enterprises

European Economic Congress Katowice

Katowice, Poland, 10.10.2016, 11:06 Time

USPA NEWS - VI European Congress of Small and Medium-Size Enterprises from European Union will be held for 3 days from 10-12 of October 2016. There will be 3 days of prelectures for entrepreneurs from Poland and from other European countries.

Small and medium-size entrepreneurship is the most important sector of the Polish economy. It is also the main subject of the European Congress of Small and Medium-Size Enterprises. Challenges and possibilities of development of small and medium-size enterprises will be discussed by the most significant personalities in Poland, representatives of science, politics and economy, as well as numerous foreign delegations. Sixth edition of the most important meeting of small and medium-size companies will take place on 10th-12th October 2016 in Katowice, Poland.

The last five editions gathered a numerous group of the representatives of business, science, politics and economic environment, who discussed the possibilities and barriers standing in front of micro, small and medium-size enterprises.

The event is already a part of the tradition of European economic events. Several dozen panel sessions and a number of workshops and informal meetings attended by experts from Poland and abroad will take place within the three days of the Congress.
